

IMPORTANT ANNOUNCEMENT

The bridge painting project starts Monday November 5th at 9:a.m., and is expected to be completed within 5-6 days, depending upon the weather. There may be some work done at night.

The painting crew will make every effort to keep two lanes of traffic open at all times.

We hope that you will help us get the word out to our Southland area residents, customers and other businesses. We want to make every effort to minimize traffic congestion and delays at the bridge.

Please note the attachment of ALTERNATES ROUTES in and out of Southland.

Many thanks for your assistance!
